

Deburring and chamfering a section of pipe after cutting.

TRIM-KUT® Discs

Trim-Kuts are abrasive discs designed for light grinding and blending applications on a variety of materials. The abrasive grains are fused directly onto a wearable polymer backing, resulting in a disc that requires no back-up pad. The polymer backing trims during use to expose new grains to the work surface. 3" discs are designed for use on drills or right angle air die grinders, and 4-1/2" discs are for use on right angle grinders.

Applications

- ✓ Edge blending
- ✓ Preparation for painting and surface finishing
- ✓ Light weld and stock removal
- ✓ Deburring

TRIM-KUT Discs - Aluminum Oxide

| Diameter | Arbor Hole | Grit Size | Max. RPM | Item Number |
|----------|------------|-----------|----------|-------------|
| 3" | 5/16" - 18 | 36 | 21,000 | 59300 |
| | | 60 | | 59305 |
| | | 120 | | 59315 |

Do not use TRIM-KUT discs in temperatures lower than 48° fahrenheit. Store at 50% relative humidity.

TRIM-KUT Discs - Aluminum Oxide

| Diameter | Arbor Hole | Grit Size | Max. RPM | Item Number |
|----------|------------|-----------|----------|-------------|
| 4-1/2" | 7/8" | 36 | 13,000 | 59403 |
| | | 60 | | 59404 |
| | | 120 | | 59405 |

Do not use TRIM-KUT discs in temperatures lower than 48° fahrenheit. Store at 50% relative humidity.

TRIM-KUT Adapters -

| Description | For Use With | Item Number |
|---------------------|-----------------------|-------------|
| 1/4" Mandrel | 3" TRIM-KUT Discs | 59327 |
| 3/8"-24 UNF Adapter | 3" TRIM-KUT Discs | 59326 |
| Adapting Nuts | 4-1/2" TRIM-KUT Discs | 56485 |
| Spanner Wrench | Item No. 56485 only | 56496 |

Extend disc life 2-3 times.

Renew TRIM-KUT's sharp cutting edge by running the edge against a clamped piece of steel scrap.

If you are using a blending disc or TRIM-KUT Disc, ask our Application Engineering Department if Weiler's BobCat Abrasive Flap Discs can enhance your productivity. BobCats dramatically outperform blending and TRIM-KUT Discs by reducing changeovers and providing consistently high cut rates and extended life. See page 100 for more information.
